

Parque Santiago Complexes

Playa de las Americas

The extremely popular Parque Santiago complexes offer everything the discerning holiday-maker is looking for in self-catering accommodation, which includes studios, 1 and 2-bed apartments and superb villas. Ideal for families and couples.

All the Parque Santiago Phases complexes are situated on the sea front in

Playa las Americas. Phases 1 and 2 are more towards the centre of the resort and phases 3 and 4 in what is called the golden corner of

Playa, right beside the beach with pleasant pedestrian pathways overlooked by palm trees.

All the complexes have magnificent swimming pools, a superb variety of restaurants to choose from, with excellent shopping and well-stocked supermarkets in close proximity. The area around Parque 3 and 4 has become a shopper's paradise to rival the best in the world, with designer label clothes at attractive prices to suit all tastes.
